

Harborne Parish Charity – Registered Charity No. 518415

Harborne Parish Charity is a small charity funded by historic investments. Amongst other concerns, it disburses small grants to support educational projects and help Harborne residents in need. In recent years, for example, we have disbursed money for:

- i) Educational travel for a local teenager;
- ii) House-repairs for a local resident following vandalism;
- iii) Support for a local youth orchestra.

Applications for help for individuals and causes may be made using the form below, and will be considered by the trustees at twice-yearly meetings. Grants to individuals may not exceed £250.

If you wish to apply for funding from the Charity, please complete the section below and return to Fr. Graeme Richardson, c/o the Parish Office, Church Hall, St. Peter's Church, Old Church Road, Harborne, Birmingham B17 0BB.
